

## Fayetteville Water Quality Board Meeting

August 30, 2019

Those present were Stanley Boyd, Sharon Cruikshank, Mark Reed and Carl Harris. There was not a quorum.

Discussion was held on the future plans for mitigating the flooding on Lively Street, Heslep Avenue and Mahan Street.

Discussion was also held on replacement of culverts on Heslep. Drainage issue on 161 South Lee Addition, Grace Street and Windsor Lane.

Discussion was also held on Earth Day and the Rain Barrels. It was decided to wait until the next earth day, hopefully having a county wide event.

Discussion on funding.

Next meeting to be determined, meeting adjourned.
