PROJECT SITE OWNER RESPONSIBILITY STATEMENT

The owner of this building and the undersigned, do hereby covenant & agree to comply with all the laws of the State of West Virginia and the ordinances of the Town of Fayetteville pertaining to the building, and to construct the proposed renovation, repair, or remodeling in accordance with the plans and specifications submitted herewith, and in accordance with the building codes, and certify that the information and statements given on this application, drawings and specifications are to the best of their knowledge true and correct. According to West Virginia Legislative Rules, Division of Health, Title 64, Series 63, 1998, Article 10.1.a. it is the responsibility of the Owner to ensure that "Each building or other man-made structure he or she owns is inspected for the presences of asbestos by a licensed asbestos inspector prior to any renovation or demolition activates". I understand that work shall not begin until the permit is issued by this department, that I am responsible for calling for all required inspections, that work shall be accessible for the inspection, that a final inspection, approval and Certificate of Occupancy are required prior to occupying this building. Permit fees are non-refundable, except when the permit and construction are cancelled before work begins. This permit application is only for the work described above. Every permit issued shall become invalid if work does not start within 180 days of issuance, or if work authorized by said permit is suspended or abandoned for a period of 180 days after work commenced. I furthermore certify I have received copies of the State and Federal Asbestos regulations and I understand that I am fully responsible for being in compliance with these regulations.
