Patricia Hartman said SBA Disaster Recovery works with FEMA for Individual Assistance. The SBA plays a central role in helping disaster survivors recover through low-interest disaster loans. The FEMA Individual Assistance application process is separate from the SBA disaster assistance process, allowing disaster survivors to take advantage of both programs.

Resident Sarah Howe is concerned about the changing of the Ordinance and how it was changed. She lives next to the guy who

complained about her dogs barking. She says the Ordinance being changed for an individual seems unfair and would like to see it changed back. She asked why the Ordinance was changed after 20 years.

Kim Nelson said she wants to know how an Ordinance gets changed and why it changed because of 1 person. She wanted to know how you get on the agenda.

Craig Reger said he is a complainer about dogs barking and has become the target since the last meeting on Facebook. He feels the Ordinance should remain in effect and thanked Council for hearing him and changing it.

Appointments

Appointment of Mary Rahall to Beautification Committee. Lori Tabit moved to approve and Stanely Boyd seconded the motion. Motion carries 4-0.
